

MAHP Summer Conference Golf Outing Information

MAHP is excited to present a new format designed to promote participation and camaraderie while supporting the legislative advocacy mission of the Association.

This year the golf outing is serving as a fundraiser that will benefit four charities selected by four Legislative Captains. Each legislator will be assigned a number of teams that will be playing on their behalf. The number of teams will depend on how many players sign up. For example, if sixteen teams sign up, each legislator will have four teams that will be playing on their team. Each team will consist of health plan members, vendors, and dignitaries that will play on behalf of Legislative Captain. Proceeds will be based on order of finish. ***Proceeds will be disbursed in accordance with all applicable state and federal rules and laws*

This new format will help create competition among participants to spend time with key legislators and dignitaries.

How it works:

1. Scramble format (all golf rules shall conform to USGA Rules)
2. Maximum of bogey for any hole
3. Four "Legislative Teams"
4. One selected legislator will represent each team

Each plan that sponsors a foursome will be able to have three plan representatives and one vendor on their team. Every plan that sponsors two foursomes will have 6 plan representatives, a vendor and a dignitary.

How the teams are picked:

Each team will be comprised of up to 6 foursomes, dependent on final number of foursome registrations. Foursomes will be assigned to each team as determined by the MAHP golf committee. However, if a health plan or vendor sponsors multiple foursomes, those groups can be placed on the same team. Participants will be matched with a vendor and/or dignitary that the committee chooses. The committee will do their best to match health plans/vendors appropriately. If you have a preference as to who you are matched with please send your preference to Christine Gray at cgray@mahp.org by July 3, 2015.

How the game will be scored:

The field will be divided among four teams with multiple foursomes in each team. Each foursome will be placed with a "Legislative Team". We will take the average for all foursomes within a team to determine an overall score. The lowest team score wins the highest dollar amount for their charity.

Prizes:

Prizes will be given to the male and female that has the longest drive and the closest to the pin. Prizes will be awarded at the Opening Reception.

A traveling trophy will be engraved with the winner's team, which will rotate annually.
